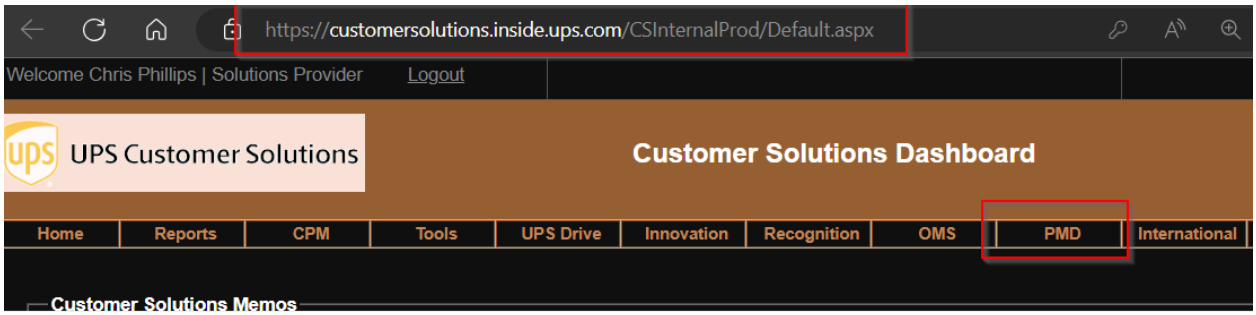
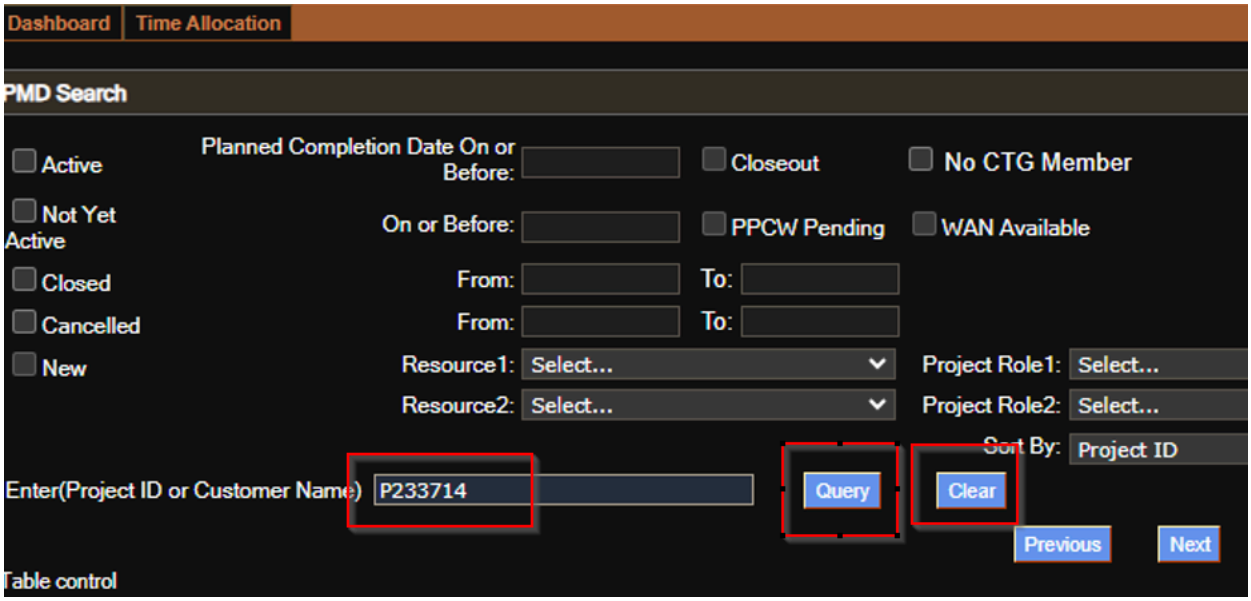
Instructions to add yourself to a Project in PMD.

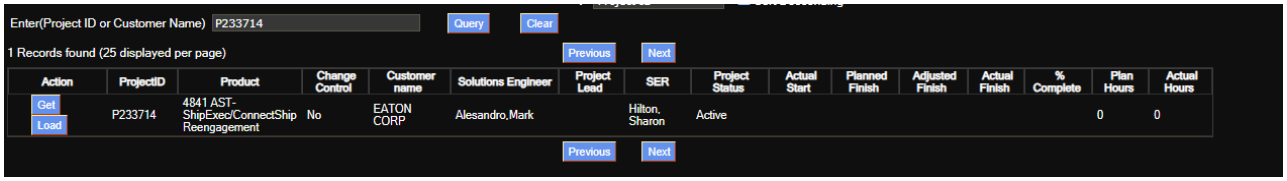
Visit the customer Solutions Dashboard ([Customer Solutions Dashboard (ups.com)](https://customersolutions.inside.ups.com/CSInternalProd/Default.aspx))and click on the PMD tab.



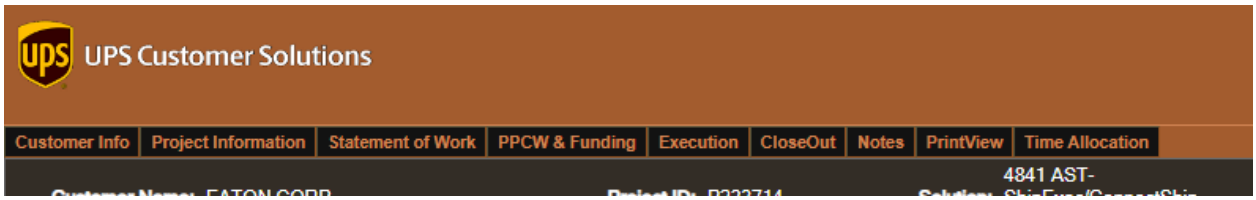
1. **Click the "Clear button"**. (Do not skip this step or it will not return in your search.)
2. Enter the project ID in the "Enter(Project ID or Customer Name)" input box and click the query button.



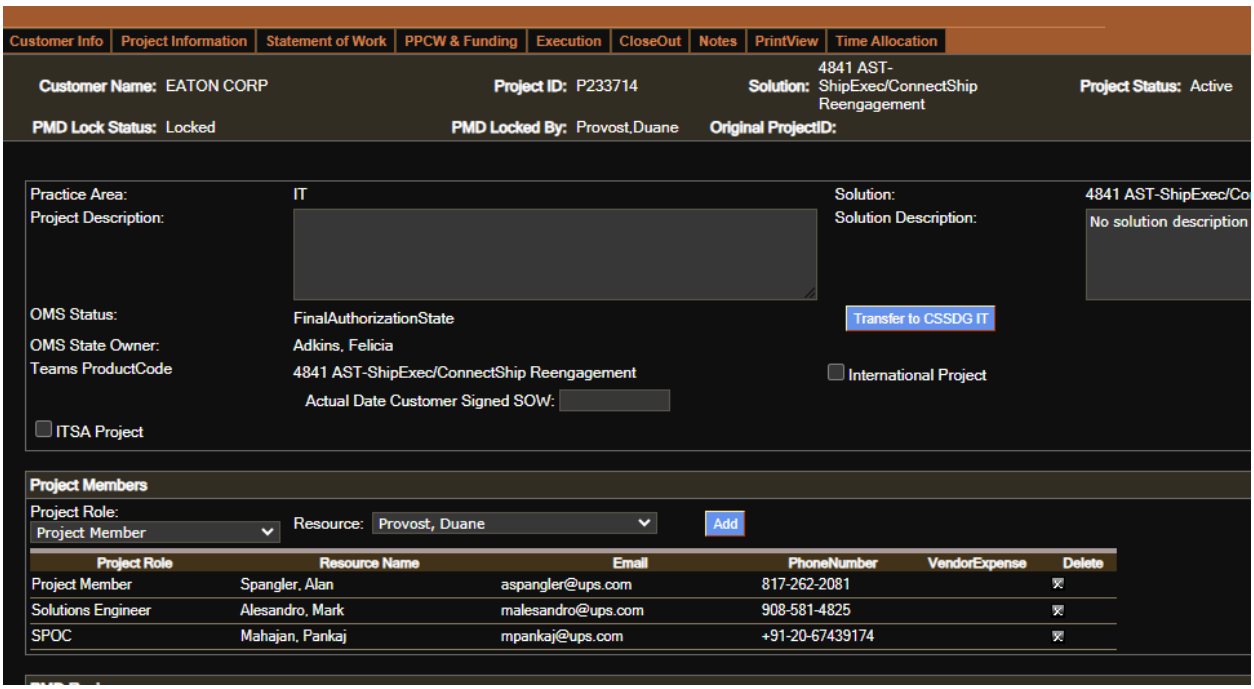
3. When the project is found, click the "Load" button that opens another screen.



4. Select the “Project Information” tab on the new screen.



5. On the Project Role dropdown select “Project Member”
6. On the Resource dropdown, start typing the last name of the resource and select.
7. Click the add button to add the member.



8. Click “SAVE AND CLOSE” button only.

Do NOT close the page by the X or you will need to self-unlock it.
